See attached for some of my comments and response on the minor PPG edits. I did it fast so hopefully they make sense but please edit as needed. We can discuss these later too.

Thanks!

Josh

Josh and Michael – My plan is to focus on the groundwater and the site-related contaminants first. Then, I will circle back to the smaller PPG edits. If you already know that certain smaller PPG edits need to get rejected (such as the Passaic bulkhead comment), just let me know in an email, and I will take care of them at the end.
